

New Classes...

Beauty View Farm is now offering a unique combination of arts and environment classes for students of all ages. Our day school will be offered Monday through Friday from 10 am to 2 pm. Our curriculum is designed to help students develop skills in concentration and group interaction. Other skills include listening, critical thinking, problem solving and decision-making. Students will be able to direct, compose and perform and design their world and communicate in their own way.

This curriculum was developed by Mary Reid who has her Doctorate in Education from UCLA, Ann Reid, Professor of Music at Genesee College and Chee Lullo, MBA.
